ordinance was made by Dominic Sonier and seconded by Herman Yarborough. In other action at the meeting, a discussion was made on the possibility of repairing the Town Hall building. The repairing mainly of the interior of the building, such as painting, lowering of ceilings, replacement of windows was discussed. Ways to raise the needed revenue for such a project was discussed. It was decided to bring this remodeling discussion up at a later date. GF Drive To Open Friday

General campaign of the county United Givers underway officially with the annual drive at Michael's at the Club Lodge, four begins at 8:30 planned for 7:30

Gifts have already been in excess of \$27,781.41, more than \$8,000 above the '67 goal.

O.J. Howe has been named general chairman for the '68 drive. Members of the Board of Directors are: James R. Ginn, president; Howe, vice-president; Mrs. C.R. Beyer, secretary; J.A. Weinfurter, treasurer; Msgr. James J. Hannon, Mrs. James D. Ryan, James Drummond, Rev. John T. Dear-

ing, W. Ray Gordon and Thomas E. Flynn.

This year, two more agencies have been added to the list supported by the UGF. Those added are: Catholic Charities and Camp Onward, Dixie League, included last year has been omitted from this year's budget.

Funds budgeted for 1968 are as follows: American Red Cross - \$4,628; Hancock County Retarded Children's Association - \$4,020; Hancock County Emergency Relief Fund - \$2,500; Boy Scouts - \$2,500; Girl Scouts - \$2,500; Mental Health - \$1,500; Hancock County Blood Bank - \$600; United Service Organization - \$500; Catholic Charities, Inc. - \$3,500 and Camp Onward - \$500. Organizations participating in the 1968 fund drive are:

RED CROSS

The American Red Cross is a household word in every American home. The organization serves in the event of natural disaster, first aid and water safety programs, provides Ditty Bags to servicemen, and is a much needed connection between the serviceman and home.

RETARDED CHILDREN

The Hancock County Retarded Children's Association promotes the general welfare of educable children who are retarded. A special school is in operation at Clermont Harbor.

RELIEF FUND

This organization, which is under the direction of the clergy of all faiths, has been organized to assist local and transient persons with emergency needs. This assistance is given to those not qualified for immediate help from the Red Cross.

BOY SCOUTS

The Cypress District provides a fulltime representative in Hancock County to work with Cub, Boy, Mariners and Explorer Scouts. This organization is over 50 years old and meets a tremendous need for youngsters growing to manhood.

GIRL SCOUTS

Girl Scouts are well known

for their assistance in many different civic affairs. Girls seven to 17 enjoy Brownies, Junior Scouts, Cadette Scouts and Senior Scouting activities.

MENTAL HEALTH

The Gulf Coast Association for Mental Health includes Harrison, Hancock and Jackson Counties. The association operates a Fellowship Center in Mississippi City. They also furnish necessary drugs to indigent patients returning from mental hospitals.

BLOOD BANK

The Hancock County Blood Bank was organized in 1958 for the purpose of assisting residents with their needs for blood. Without the Blood Bank, private donations is the only other method of obtaining blood free of charge.

USO

United Service Organizations, Inc. is a newer member of the United Fund. This organization and its member agencies are the prime suppliers of entertainment and recreation for our men in the armed forces, particularly those overseas.

CATHOLIC CHARITIES

Adoptions, marital counseling, child guidance, unmarried parents, foster homes, families of children in foster care and children in foster homes are but a few of the social services performed by this organization. Catholic charities serves all people and all faiths.

CAMP ONWARD

A summer camping and swimming instruction program for the needy children of Hancock County. The Camp, operated by Kingsley House, shares their facilities with the local group. For as many weeks as funds can be secured, the local promoters hope to enroll children from Hancock to fill vacancies in the camp's quota.

The purpose of the United Givers Fund is to prevent loss of contributions in campaign cost and cut down on the number of individual fund drives held each year.

THE GROUP of children are just a few of the many that benefited from the Camp Onward swimming and camping program held at Camp Onward this past summer. They are: (left-right) David Labat, Harry Bourgeois, Buford Christmas, Laura Williams and David Bourgeois.

THE SERVICES of the Hancock County Emergency Relief Fund came vividly to life just recently as the group gave assistance to Mr. and Mrs. Edward Woods. Father George A. Heffner, pastor of St. Rose de Lima Church stands amid the ruins of the Woods home destroyed by fire. Assistance was also given by many neighboring families.

Commander Hays made a plain that it takes several years of painstaking campaigning to establish a national electee. Mississippians who figured prominently in the success were Ralph Godwin, National Executive Committee member of Mississippi, Past Commander Morris Meyer, Frank Chambers, Adjutant of Mississippi, all Mississippi national committeemen and delegates to the national convention for several years, too many to mention by name -- they were all a tremendous influence.

Past Department Commander Roland Marble, Jackson, Mississippi, was introduced at the Southern Caucus as a 1969 candidate for National Vice Commander. Marble is an outstanding Legionnaire and bids fair to become elected to this high honor.

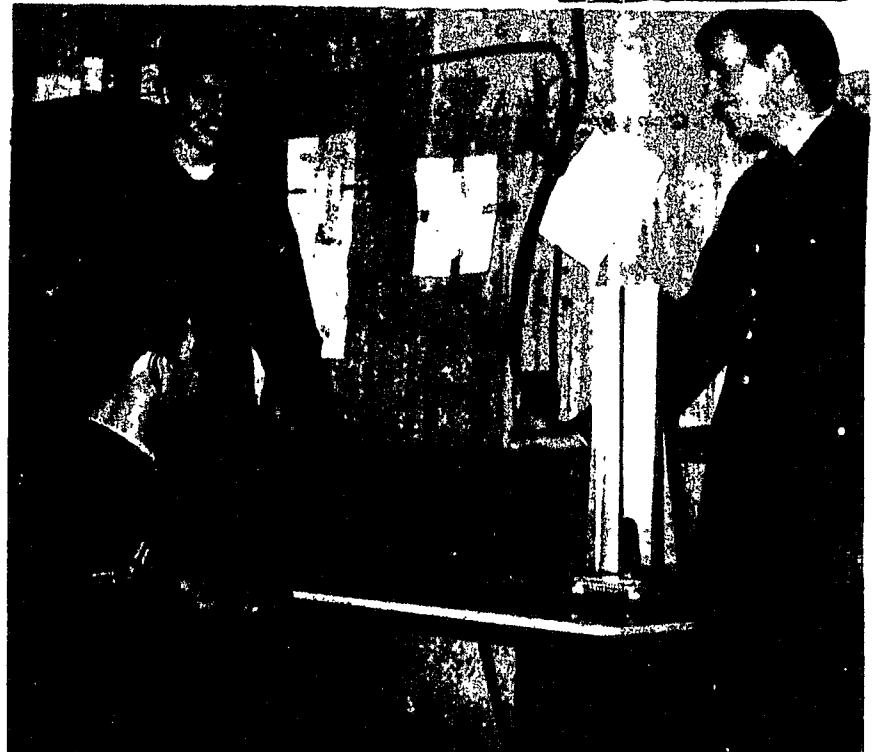

SECOND LIEUTENANT John R. McCutcheon, son of William P. McCutcheon, 146 Grovesnor Place, Waveland, Miss., a 1968 graduate of the University of Southern Mississippi in Hattiesburg, received his Army Reserve commission through the Reserve Officers' Training Corps program at the completion of six-weeks summer camp training at Ft. Bragg, N.C., July 28. Lt. McCutcheon is a 1968 graduate of Bay St. Louis High School, Bay St. Louis.

CHILDREN faces belong to children who have benefited from the Catholic Charities foster home program. These children, normally from broken homes, are in foster homes while social work is underway to reunite the broken foster home program to just one of many programs carried on by charities.

MORE THAN 200 men from Hancock County are presently serving in the Armed Forces. Most all of these men will enjoy the programs of the USO during their period in the service. (Seated) Gary Noto, son of Mr. and Mrs. Joseph Noto; Robert Gavagnis, son of Mr. and Mrs. Willard Gavagnis and (right) David House, son of Mr. and Mrs. John E. House, are representative of the men aided by USO from Hancock County.

Veterans Administration Questions and Answers

Q - I understand that President Johnson recently signed into law a bill increasing VA compensation payments to veterans with service-connected disabilities. I am rated 100 percent service-disabled. How much of an increase will I receive and when will it go into effect?

A - As a veteran with a 100 per cent service-connected disability, your monthly VA compensation payment will be increased under Public Law 90-493, signed by President Johnson on Aug. 18, 1968, from \$300 to \$400 if your disability was incurred in time of war and from \$240 to \$320 if incurred in peacetime. The increase will go into effect on Jan. 1, 1969, and should be reflected in your January check which you will receive around Feb. 1, 1969.

Q - Late last March President Johnson signed a law which, I understand, not only protects me against any loss in my VA pension due to the Social Security increase I received this year, but also increases my pension as the result of a new income scale the VA uses. My pension check is still the same. Why haven't I received an increase?

A - Because any increase to which you may be entitled as the result of the change in the income scale will not become effective until Jan. 1, 1969, under Public Law 90-275, signed by the President on March 28, 1968. The provision protecting your pension against any reduction due to increased Social Security benefits before 1970 went into effect at the time the law was signed. However, the \$200

increase in income limitation and changes in monthly VA pension checks were deferred by law until the first of next year.

Q - I am a disabled veteran eligible for vocational rehabilitation and would like to know if I can take part-time training. I would like to train for a better paying job, but can't afford to quit my present job and take full-time training because I have a wife and two children to support.

A - Since July 26, 1968, as the result of Public Law 90-431, it has been possible for service-disabled veterans in need of vocational rehabilitation to take part-time training and be paid a proportionate assistance allowance by VA. The present full-time allowance is \$110 monthly for a veteran with no dependants, \$150 for one de-

pendent, and \$175 for two or more dependants. Under the new law, the allowance for three quarters time training will be \$80, \$110 and \$130 respectively. For half-time training the allowance will be \$55, \$75, and \$85.

Chevrolet introduces 1969

Caprice. Match this, you other 69's!

There is no joy in the land of our competitors today. But let us ask you this.

Should we have made Caprice shorter instead of the longest Chevrolet ever built? Or adorned it with flashy nicknacks to make it look less expensive?

Just because competition doesn't, should we not have offered you washers to clean your headlights,

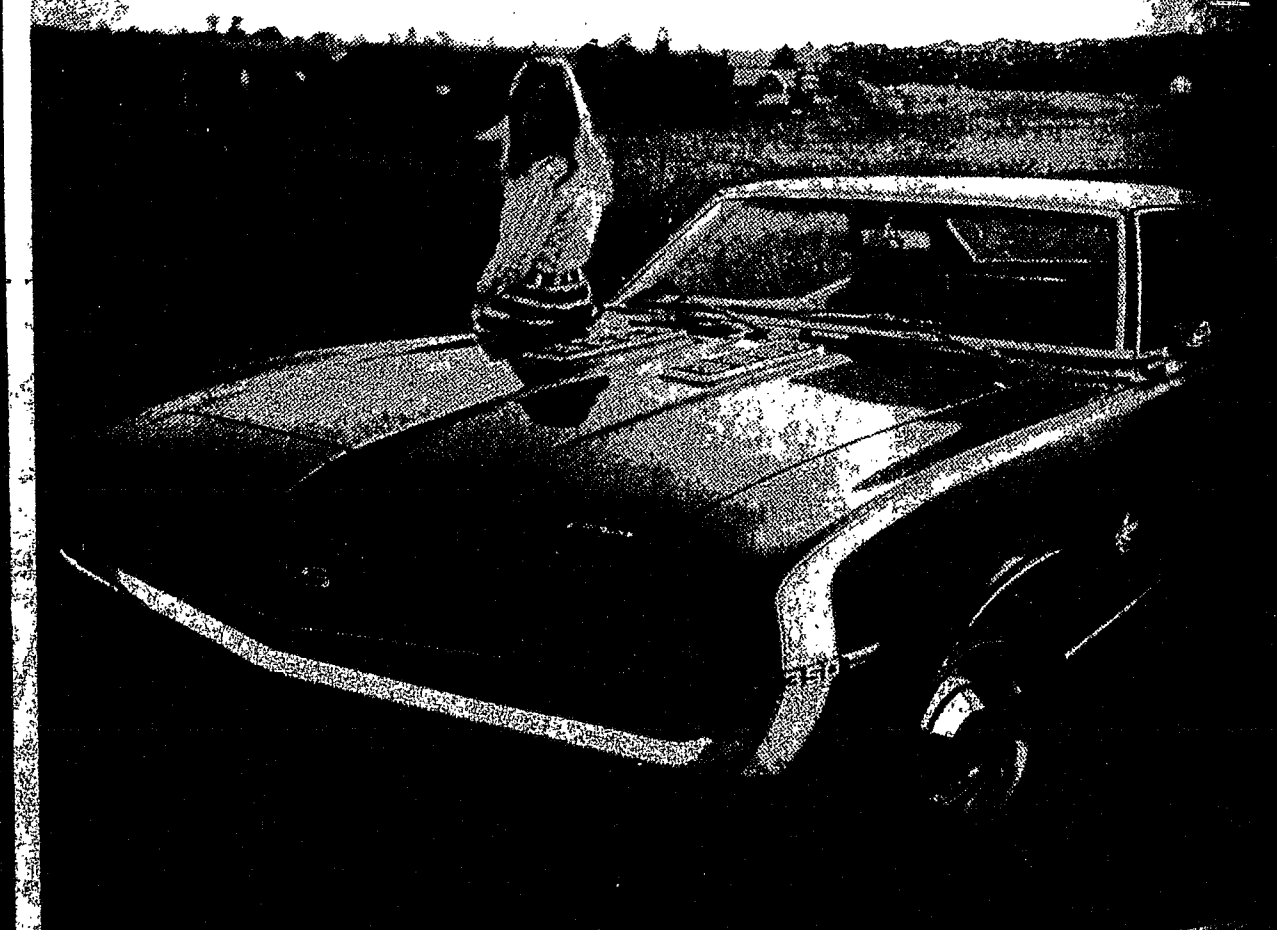

new variable-ratio power steering, liquid disc brakes you can apply to your rear wheels at the push of a button?

Should we have given you less power, than the largest standard V8 in its field?

Some people think so.

Our competitors.

'69 Caprice Coupe

Camaro. Who needs to say "new" or "new"? The Huggers. And just look how it all hangs together. No gingerbread anywhere. We've improved the interior, too. Quieter the ride. Made the Astro Ventilation ventilate better. The power range is very impressive.

'69 Camaro SS Sport Coupe, plus Standard V8 is 210 hp. SS engine is 325 hp. For added SS appeal: sport disc brakes; wide oval, road-hugging tires. Your Chevrolet dealer offers this advice: Go on, you other sportsters. Gnash your look tough. Maybe it will help. Putting you first, keeps us first.

Because Polly is sick and could not write her column we are reprinting a "Polly Peers" column from Sept. We thought her faithful followers would want to hear what they might be interested to check on themselves (as gone by.)

Stanislaus Wins Thriller at Home

By Keith Langer
The St. Stanislaus Rocks chawns won their opening-home game Friday against the St. Bernard Eagles, 27-21.

The Eagles scored early in the first quarter on a fumbled ball. The Rocks took over at the Rocks 45 and eight plays later Mike Robin plunged in from two yards out. The extra point was good making it, 7-0, Eagles.
Late in the second quarter, the Rocks got on the score board when quarterback Gravolet hit end Joe Boudreaux in the end zone with a 22-yard pass. The extra point was not good. The half ended, 7-6.
Again late in the third quarter the Rocks scored. This time Gravolet hit Mike Gamell from 12 yards out for the score. The extra point attempt was good. At the end of the third the Rocks lead, 13-7.
In the fourth quarter the Eagles came fighting back with an 81-yard pass play from quarterback Kenny Henderson to Angie Bourgeois. The Rocks took the kick-off and came back with a score capped by a 30-yard pass to flanker Dennis Burmaster.
The Rocks kicked to the Eagles and on the first play from scrimmage the Eagles scored on a 62-yard pass from Henderson to Bourgeois.

Lumberton Panthers Defeat Hawks 13-0

Hancock Field last Friday night was the arena of defeat for the Hancock North Central Hawks. Unable to score was the major problem with the Hawks.
Lumberton High Panthers rolled to a 13-0 victory by scoring once in each half. The Panthers pushed across the end-zone in the second quarter when fullback Vick Hembre went over with the ball from two-yards out. The extra point attempt failed. The score was successful when the Panthers put together a 56-yard sustained drive.
Lumberton's second touchdown came in the fourth period when Hembre plunged over from the one-yard stripe. Tackle David Owens kicked the extra point to give the Panthers complete control. A sustained drive was put together by the Panthers when they intercepted a pass from the Hawks on the Hawk 47 yard-line.
The Hawks play Bay St. Louis tomorrow night at Bay St. Louis in a non-conference engagement. Both teams are looking for a win after defeats last week.

DENNIS BURMASTER hauls in one the many passes he caught against St. Bernard. The senior halfback caught two passes in the game for touchdowns. The Rocks won in the closing seconds of the game, 27-21. (Photo by Ed Fayard.)

Did you ever hear the old one: How do you keep fish from smelling? Cut off their noses.

The question always arises where can I get my reel repaired? For your information Cele Marine Sales and Service, 839 No. Broad St. New Orleans, La., has rod and reel parts and do good work. Charles and Louis Cele have been repairing rods and reels for years. Naturally they are fishermen and go fishing on every occasion.

Was a pleasure to meet Clyde, Lloyd and Dudley Ladner as well as Pete Peterson. These folks fish and hunt. You can bet they get their share of game and fish. They tell a lot of interesting stories and are from Ne-calse Crossing. We will make that fishing trip fellows.

Laverne Ladner, Vern, as he is better known to his friends is busy harvesting his crops right now but is looking forward to some fishing soon. There are plentiful down here, Vern.

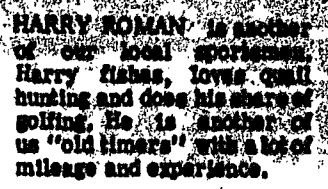

Willard Ladner's favorite sport is quail hunting. He has some wonderful dogs and spends a lot of time in the woods. Willard loves to catch hard crabs, claims they are the best when it come to eating.

Up-coming hunters are Ronnie Rauxet, Allen Mestayer and David DeBlanc. Hunting doves last weekend they got their share of these birds. The boys also kill a lot of ducks during the open season. They range in ages 12 to 16 years.

Sorry to hear of Dee Hamilton resigning as president of the Merchants Bank & Trust Co. Hope he still keeps up his fishing.

A drunken fisherman said he was going to drive home. He was in no condition to walk.

Local hunters are impatiently awaiting the opening of the squirrel and rabbit season next month. There are plenty of these animals in Hancock County, and hunting both is a lot of fun. Remember hunting rabbits at night with a head light is out in Mississippi. A good rabbit dog is necessary when hunting the cotton tails.

HARRY ROMAN is another of our local sportsmen. Harry fishes, loves quail hunting and does his share of golfing. He is another of us "old timers" with a lot of mileage and experience.

Squirrels are often killed by fishermen especially along the banks of Pearl River.

According to those traveling the woods there are plenty of quail. Of course the birds are about 3/4 grown but should be full grown when the season opens on Nov. 30. Some of our ardent quail hunters are Wop Glover, Dick Mestayer, Willard Ladner, Bobby Fayard, Norman Renshaw. All of these have excellent bird dogs and kill their share of these prized birds. Quail hunting is one of our best sports in this section of the country.

Going after bull croakers over the weekend were Pop Senzau, his son Sheldon, and grandson Sheldon, Jr. Don't know how many they caught. Pop said it was the first time in many years he enjoyed a fishing trip.

Pete Morel is a chip off the old block when it comes to fishing. He and his fishing buddies caught some big flounders and shrimp on the other side of the yacht club this other night.

Pearl River Defeats Tigers 14-0

Bay High Tigers, plagued with many injuries suffered a 14-0 defeat at the hands of Pearl River Central High of Carriere last Friday night. The Blue Devils' offense was too strong for the crippled Tigers.

The victory for the Blue Devils made three in a row, while the Bay High Tigers marked up three defeats.

Although, the Tigers had many injuries last week, they were able to hold powerful Pearl River to only one touchdown each half.

VCI Tied; Official Protest Is Filed

The Valena C. Jones Tigers fought John Jefferson High School of Purvis to a 13-13 tie at Purvis last Friday evening. This was the second 13-13 tie for VCI in as many weeks.

Coach Willie Bradley of VCI told the Echo Monday morning that he was filing a formal protest over the outcome of the game on two grounds. (1) that the official time was being kept on the field and the official told Bradley that only five seconds remained in the game but Purvis was allowed to run a running play, call time out; run another running play, go into a huddle and pass for a touchdown - all in the space of five seconds. (2) that after the touchdown had been allowed Purvis ran an attempt for the extra point that was stopped well short of the goal but an official on the field said that the runner crossed the goal giving Purvis a tie with VCI.

Valena C. Jones scored early in the first quarter on a 13-yard run by Ed Whavers. The TD was set up on a 30-yard pass from Sterling Bell to Captain Larry Peters. The conversion attempt failed. Jefferson scored with two minutes in the half to knot the score at 6-6 at the half.

VCI's final TD came on a bit of razzle dazzle. With halfback Whavers throwing a TD pass to quarterback Bell. The conversion was good on a pass from Bell to Keith Payne. Michael Lynnel set up the TD with an intercepted pass. Peter Mosley led the Tigers

on defense with seven unassisted tackles. Other standouts were: Peters, Winston Whavers, Paul Jordan, Thomas Holcomb and Ed Whavers. The Tigers are at home tonight at 7:30 against Todd Memorial of Poplarville.
